JEW'S QUESTION LEGALITY OF SUNDAY ENFORCEMENT

New York, Dec. 6.—The Jewish Sabbath Alliance of America, in a statement issued here yesterday, declared that attempt to put into effect Sunday "blue laws" would be a direct violation of the constitutional guarantee of religious freedom.

"What these opponents of the seventh day call the American Sabbath," the statement read, "is nothing more than a subterfuge."

"There is no American Sabbath as well as there is no English, German or Dutch Sabbath. There is no reason in existence which permits any body of legislators to decide in this theological question that one party is totally right and the other wrong."

"Even at the present time the existing laws on statute books of the State of New York are the grossest injustice to a large portion of the citizenry of this country, and the alliance will make every effort to amend same to allow the seventh-day, observing American citizen equal rights as are given any other portion of the citizenry."

Out of Every 200 17 Turned Down
(Continued from page one)

Bureau of Social Hygiene, of the State of Virginia, at the Y. M. C. A. mass meeting for men at the Richmond Theatre yesterday afternoon.

A splendid audience greeted the director of the bureau of social hygiene when he arose to deliver one of the most impressive talks of the entire series. The meeting began with a band concert by the Citizens' Band, and after some congregational singing Dr. E. V. Reeser was introduced by Dr. J. L. Allison.

Dr. Allison in introducing Rev. Nelson said that Alexandria was squarely behind the state efforts in behalf of the public health, and said he believed he was expressing the sentiment of every man present when he said that Alexandria was contemplating no retrenchment along health lines, but rather an advancement.

Mr. Nelson at once explained the workings of the state bureau of health and told how utterly impossible it would be for the state to attempt to do any of the local work of a bacteriological nature in a satisfactory manner as it might have to wait several months in turn before receiving any attention.

The lecture on social hygiene was entirely devoid of morbidity and handled in a thoroughly tactful manner. Not over twenty minutes were consumed in telling in a very forceful manner some pertinent truths, that were so told as not to be soon forgotten. Dr. Rachelle Yarrow, a foremost social hygiene worker, was a close listener throughout the address and at its close highly complimented the speaker.

Several reels of motion pictures were shown at the close of the talk and the men present were indeed fortunate in seeing the latest development of the government agencies for social hygiene. The pictures were of a highly educational value, and, like the address, presented no objectionable features.

N. S. Greenaway, chairman of the religious work committee of the Y. M. C. A. announced that the meeting next Sunday would close the series and would be a Bible class rally day, and would be addressed by J. H. Trimyer, teacher of the Henry K. Field Bible Class of the M. E. Church South. The Bible classes of the city will attend in a body, the teachers will have seats on the platform, and most of them will have a part in the service.

A large audience of representative women heard the lecture given by Dr. Rachelle Yarrow, of Chicago, yesterday afternoon in the Ingomar Theatre. Mrs. Harry B. Caton, president of the Woman's Auxiliary to the Y. M. C. A., presided, and the opening prayer was offered by Mrs. William Campbell, vice president of the Anti-Tuberculosis Society. Miss Elizabeth Ramey was in charge of the young lady ushers.

Preceding the address and films, a community sing was led by Miss Esther Schneider, who also sang a solo. Mrs. S. Dexter Forbes was the pianist.

Mrs. Caton introduced the Rev. R. B. Nelson, director of the state bureau of social hygiene, who made a brief address, before introducing Major Robinson, one of the most noted women physicians in the country, and prominent in the public health work of the United States government.

Maj. Robinson's address was short but of intense interest to the women assembled. She was followed by Dr. Yarrow in a wonderful talk that every woman in the city should have heard. The films were instructive and were explained by Dr. Yarrow in the most simple language, clearly carrying to all the importance of the social hygiene work throughout the country.

TAKE STOCK OF YOUR HEALTH NOW

Winter Brings Many Ills to Pale, Overworked People

TAKE PEPTO-MANGAN

Fortify Your System—Good Blood Will Give You New Strength To Keep Well

If you feel the least bit run down, not necessarily sick, but tired and blue and sort of down and out, it shows plainly that your power of resistance is low.

It is dangerous to go around that way. You don't want to do it.

Make no mistake about it, when you feel yourself slipping into lazy habits, getting indifferent to the things you naturally like—no energy, no vigor, always tired—it is time to look out. It may not mean that you are sick or that you will be. But there are diseases that would have an easy time of it with your system when your blood has no fighting qualities.

You want to be well and keep well and feel strong. If you build up the quality of your blood by taking Pepto-Mangan you will be in trim to fight off winter ill. It has just the right ingredients to build your blood up with rich, red corpuscles.

Pepto-Mangan gives your blood the qualities it needs to pick you up and start you off on a healthy basis. You will notice the difference soon after you start taking it. You will have better color, better feeling, and more energy.

You can take it in liquid or tablet form as you prefer. Both have the same ingredients. But be sure you get the genuine Gude's Pepto-Mangan. Ask for it by that name—"Gude's Pepto-Mangan," and he sure the full name is on the package.

Though Sugar Takes Drop, Candy Still Is High

Chicago, Dec. 6.—The high cost of living committee of the City Council today turned its attention to candy prices, disclosing evidence that sugar retailing at 9 and 10 cents a pound is being sold at from 65 cents to \$1.60 a pound when made into candy.

"One store charges \$1.25 for a box of the same goods sold at the other store for \$1.50, while still another sells one brand for 65 cents that retails at 85 cents at the fourth place," said Secretary R. J. Poole.

Candy makers are paid \$55 a week said one manufacturer, in explanation, when on the examining stand.
